LOOKS SUSPICIOUS.

Better Let Well Enough Alone.

The city papers are publishing the statement that there is a probability of there being a called session of the Legislature to consider an amendment to the Capitol Appropriation Law, allowing a change of location for the proposed building. We earnestly hope that this will not be done.

At the last session of the Legislature a bill, looking to the same end, was introduced, and could easily have been passed, but the friends of the original measure were unwilling to open up the question, however desirable it might have been to have the amendment adopted. They came to the conclusion that it was best to let well enough alone. After all these years, in which this matter has been fought over, it was earnestly hoped that the question was finally determined. To thus re-open it, at this late day, is a very dangerous proceeding.

It is urged as a ground for the project that there is not room to erect the right kind of buildings upon the present site. That is all. The capital of the State of New York is a much larger building than is necessary for this State, and cost enormously more than is proposed to be expended upon ours, and yet the ground occupied is not a bit larger, if as large, as that upon which our building is to be placed. The Missouri and Arkansas Capitols are upon just about the same quantity of ground that ours will occupy.

Again we say, "better let well enough alone." It looks very suspicious.

SUCCESSFUL OPERATION.

Judge A. Rollins Burnam took his son, Mr. Lucien Burnam, to Louisville on Monday, and he was operated upon on Wednesday, for appendicitis. The operation was a decided success, and Mr. Burnam is doing very nicely.

PROPERTY SOLD.

On Wednesday last Dr. S. B. Holmes' property, on West Wapping street, was offered for sale. Dr. S. E. James bid \$7,500 for the whole property, which bid was rejected.

The three vacant lots were then sold to Dr. E. H. Hume for \$3,100. Dr. Holmes held the whole property at \$8,000.

A NEW ENTERPRISE.

Two highly educated and accomplished young ladies, Miss Katherine Elizabeth Seearce and Miss Rosalie Pauline Seearce, have made arrangements to open up a first class academy at Bagdad, Ky., known as "Shelby Institute." These young ladies are in every way competent to teach the branches they propose to embrace in their curriculum, viz: Mathematics, English, Latin, Greek, German, French, Natural Science and History.

They are daughters of Mr. George T. Seearce, himself a teacher of prominence.

We wish them all success in their new field.

A GOOD DEED OF CHARITY.

The Captain of the Salvation Army, with the assistance of Rev. M. B. Adams, took one of those girls from Long Ave., who was dying with consumption, to her sister's home at Old Christiansburg. The trip was a tiresome one to her, taking us from 7 a. m. to 2 p. m., but by God's help and careful driving we arrived all O. K. This is the kind of work the Salvation Army loves to do. Many thanks to our Mayor for his help.

WAIT FOR IT—DON'T FORGET IT.

The Young Ladies Aid Society of the First Baptist Church will run an excursion on the Falls City some time about the middle of August. The exact date will be given later. The excursion will go to Tyrone or probably beyond that point. The rate for the round trip will be very low. A nice and pleasant trip is assured. Wait for it.

LIKE DAISIES BEFORE THE SCYTHE.

Baby lives are destroyed in summer by cholera infantum. The attack of the disease is sudden, its progress is sometimes terribly rapid. Mothers who have given children to Dr. Davis Painkiller can tell how this treatment has checked the diarrhea and vomitings, and put the little patient out of danger. 25 and 60cts.

IN NEED OF MORE FUNDS.

By the following it will be seen that the Finance Committee of the Fourth of July celebration is in need of more funds:

The expenses of the Fourth of July celebration were estimated at \$25,000 which was provided for as anticipated, and the finance committee now finds itself in need of this amount to close up outstanding accounts. We make an appeal to you, who did not contribute to the original fund, and who would like to come to our aid, and thus save the committee the necessity of a further canvass of the city. Send your subscription to either member of the committee, and receive our thanks.

JOHN H. CASSELL,
GEO. L. PAYNE,
W. A. HOWARD,
Finance Committee.

A wheelman's tool bag isn't complete without a bottle of Dr. Davis' Emetic Oil. Heals cuts, bruises, stings, sprains. Monarch over pain.

Y. M. C. A. SOCIALS.

A series of socials will be given at the Y. M. C. A., through the summer, by the different churches in the city. The first was given by the First Presbyterian Church last Thursday, July 21. It was, owing to the inclement weather, not very largely attended. The ladies furnished ices and cakes for refreshments, which are very acceptable among these warm nights. Each occasion will be as informal as possible, the entertainments will be music, solos, duets and quartets, all the popular music of the day.

Besides games, the young ladies will be on hand to entertain. Every young man is invited and everything is absolutely free and open. Come and enjoy a cool drink and a chat with the fairer sex.

Dr. Weaver's Syrup and Cerate. Successful treatment for blood and skin diseases.

ATTENTION.

Parties going on the C. & O. Excursion to Atlantic City, on August 4th, will please send in their names for sleeping car reservation as soon as possible.

HONORED ITSELF.

The Missouri Democratic Convention which nominated Hon. Jos. W. Folk, of St. Louis, for Governor this week, honored itself highly, than it could possibly do Mr. Folk. Oh for a Folk in Kentucky!

FINDS GIRL WHO SAVED HIM.

As the culmination of a war-time romance, Lieut. H. R. Merrill, of Geneva, has gone to Charleston, Mo., to marry Mrs. R. A. Campbell. During the fall of 1862 Lieut. Merrill was stationed near Camp Morgan. A young girl came from her father's home and advised the sprightly officer that Gen. Morgan was sending a superior force to effect his capture. He escaped one hour ahead of his enemies. From that day to this the two have never seen each other. It was but a few weeks ago he located her and a correspondence sprung up which has the wedding as its climax—Des Moines, Ia., Telegram to the Chicago Chronicle.

MISTAKE IN PLOWING.

While talking to a Leader man, a Fayette farmer said: "Do you know that many farmers made a big mistake last spring in plowing up their bad looking wheat fields? Yes, they did, as we can see. I know one man who plowed up sixty acres and put it in corn because the wheat looked so bad. Another one got ready to plow up a hundred acres that looked mighty thin and bad, promising to be a failure. But he finally concluded to let it alone and see what it would do. The fine spring rains came on and the field came out finely and lately he reaped thirty bushels to the acre. It seems that much of the grain laid dormant in the ground, not sprouting up and shooting out until after the spring rains came on."

COLLEGES CONSOLIDATED.

Two Baptist colleges located in the southeastern part of Kentucky, which have been heretofore strong rivals, have consolidated into one, to be known as Oneida Baptist Institute and located at Oneida, Clay County. This is a result of the efforts of the committee, consisting of J. K. Nunnelly, chairman, Georgetown; M. B. Adams, Frankfort, and A. E. Baker, Jellico, appointed by the General Association to reconcile these two Baptist colleges located in the same county. One is at Oneida, known as Mamre College, and the other located at Burning Springs, known as Lorette College.

CRAWL FOR APPENDICITIS.

German medical journals are recommending a new and peculiar method for appendicitis, the employment of which, it is declared, will obviate the necessity for the use of the knife in the great majority of cases. The new remedy consists in walking on all fours twenty minutes four times a day. A contemporary states that this method is not only original, but almost aboriginal. However, this may be, the method certainly is of ancient origin. The method of treatment operates by strengthening the abdominal muscles. When the muscles have relaxed the bowels become distended, congested and disordered; the disease extends to the appendix and thus an inflammation is produced.

It is claimed that a well-known German diplomat has been recently cured of appendicitis by this method.

A THIN ARGUMENT.

The argument is gravely made that there is not room enough to erect a suitable building upon the capitol grounds, that is according to Architect Andrews. This reasoning of course is that the gentleman once had a lot 50 feet wide, upon which he wanted to erect a house. The architect employed told him he could not do it, that the lot was not big enough. The gentleman very quietly remarked, "Very well, will you let an architect do it?" Moral obvious.

FRANKFORT, JULY 23, 1904

THE LESSON OF ILLINOIS.

"Graft knows no politics," writes Lincoln Steffens in the August McClure's, and he then proceeds to prove his case by finding a parallel for Democratic Missouri, whose conditions he last discussed in his series of articles on "Enemies of the Republic," in Republican Illinois. As in Missouri, the movement toward self-government began in the effort of its largest city to free itself from the rule of special interests.

After an eight years' political war the Republican party of Illinois, the ruling party, has been brought to represent the people. As in Missouri, the people's struggle for independence was led by the prosecuting attorney of St. Louis, Joseph W. Folk, in a contest for the Democratic nomination for Governor, so in Illinois the triumph for public opinion and public interest has come in the nomination for Governor of Charles S. Deneen, the prosecuting attorney of Chicago, by the Republicans of Illinois.

The story of this eight years' war, as told by Mr. Steffens, is a real story full of interesting incident and significance. The most important concrete case which Mr. Steffens uses to illustrate his article, is the fight for and against traction for the city of Chicago in the Illinois legislature. The complete repudiation of the political ring which had furthered special interests and blocked government for the people, came in the Republican State Convention of this summer, which is described.

Mr. Steffens drives home clearly and forcibly a number of important lessons in telling the story of this war for political independence. "Political corruption," he writes, "is a force by which representative democracy is transformed into an oligarchy representative of special interests, and the medium of the revolution is the party. So any movement towards practical reform must recognize and deal with parties. Whichever party is in power is the grifter's party, so must the reformer make it his also, if he would achieve practical reform. In this story of Illinois, as in Missouri, we have the fighting done within the party, and that is right. For parties do rule us, and if American citizens will 'stick to party,' then it is important for all of us to know what each decides within himself to represent, all of us or a few of us, the common interests which ask for nothing but law, order and fair play, and pay for these in taxes that sustain the State; or those special interests which seek special favors and pay for them in bribes which corrupt the State.

More important even than this conclusion, Mr. Steffens points out that "Municipal reform, all by itself, is impossible. City government and State government are of one sovereignty, and, as for corruption, the city and the State are in one system and the city man and the 'up-state' man have to work together to get what each needs."

This is the lesson that both Missouri and Illinois have had to learn, and its learning bespeaks better conditions for both city and State.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects speedily and permanent.

"It is my duty to let you know that my mother had a very little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she had a nervous condition, but did not know what it was. We took her to another physician who said her trouble was epileptic fits in a mild form. He did her no good either. She was so weak and feeble that she could not walk. We already used Dr. Miles' Nervine and found it a good remedy for myself. I commenced giving it to my child, and gradually in ten bottles she Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced giving it to her. I am now perfectly cured."—Mrs. HANNAH BARKETT, Springfield, Ill.

PROMINENT GENTLEMAN DISAPPEARS.

The following dispatch appeared in the Louisville Evening Post of Tuesday:

Lexington, Ky., July 19.—Local detectives have been instructed to watch out for the Hon. J. R. Adams, of Clarksburg, W. Va., who has disappeared. Mr. Adams, who is seventy-six years of age, and an architect, left Lexington, Ky., on Friday, went to Springfield, Mo., to visit relatives. Yet there is no word known to anyone that he has disappeared.

In addition we may say that Mr. Adams left the train at Georgetown to obtain a lunch. It is feared that when he paid for his lunch he was seen to have money and that he was followed and made way with.

His two sons-in-law and Rev. M. B. Adams are doing all they can to ascertain his whereabouts.

DAMAGE DONE BY BIG STORM.

Paris, Ky., July 20.—Bourbon county was visited by a heavy wind and rainstorm yesterday afternoon at about 4 o'clock.

The wires of both the East Tennessee and Bourbon Home Telephone companies were blown and twisted together, many poles being blown down, hundreds of trees uprooted, one giant pine tree blown into the air and blown over both sets of wires, the butt resting over the Bourbon Home and the top branches over the East Tennessee wires, allowing wagons to pass over them.

Rain fell in torrents, wheat and hay stacks floating in temporary lakes made in the meadows from the deluge of rain. The path of the storm was about 100 feet wide, and fortunately no house or living thing was in its path.

ANOTHER TESTIMONIAL.

We give below another testimonial of affection from one who knew and loved our departed friend:

Petersburg Va., July 18, 1904,
Editor Roundabout:

My Dear Sir and Brother—As I unfold your ever welcome paper this morning my heart is deeply pained and saddened at the announcement of the death of Bro. Darsie. I can hardly believe that it is true. He was so full of health and fine enthusiasm that he seemed to have a lease on a long, happy and useful life. In his death I have lost a warm personal friend. The sorrow of Frankfort is my sorrow. What a noble, earnest man he was. How hopeful he was, always looking for the good in men and always finding it. I shall never forget his warm fellowship in the great B. Fay Mills meetings. There we worked and prayed side by side. He and I were often in the same house at the same time looking after those who had expressed an interest in salvation. In every place and on all occasions I always found him a large-hearted, sympathizing Christian brother. He believed in the triumph of righteoussness and loved his fellow man. He made it easier for men to believe in goodness and to serve his Master. He was an encouragement and an inspiration to all his Christian brethren and a pillar of strength in dear old Frankfort. We shall miss him greatly. May the Lord of all grace comfort the bereaved and bless his memory to the good of all our hearts.

Yours in sympathy,

RESOLUTIONS OF RESPECT.

At a called meeting of the Louisville Chapter, U. D. C., Saturday, July 18, at the home of Mrs. E. L. Samuel, Frankfort, Ky., the following resolutions of respect were offered to the memory of the late Gen. Joseph H. Lewis:

Whereas, God in His infinite love and mercy has called from us our beloved friend, Gen. Joseph H. Lewis (born October 24, 1824, died July 8, 1904), to join the ranks of the vast host of comrades who have tented beyond the river; therefore, it is

Resolved, That in the death of our beloved commander, Gen. Joseph H. Lewis, for whom our Chapter was named, we have lost a true friend; a loyal sympathizer; a Christian compatriot, a faithful citizen and soldier.

Resolved, That we, as a band of Daughters, render this expression of regard and condolence with grieved hearts, feeling that in the passing of Gen. Joseph H. Lewis, this country has suffered the loss of a tried and true friend "to a cause that's lost," but forever fadeless in the bosom of a deathless memory.

Resolved, That we tender to his bereaved family our assurance of mingled sorrow and respect, and that a copy of these resolutions be tendered them, and spread upon the minutes of our Chapter, also to be published in our papers, and the Louisville Courier-Journal, Confederate Veteran, "Lost Cause" and Glasgow Times.

MEMORIAL RESOLUTIONS.

At a meeting of the Board of Officers of the Christian Church at Frankfort, Ky., held July 12, 1903, for the purpose of taking action on the death of its minister, George Darsie, the following resolutions were adopted:

Resolved, That in the death of our beloved pastor, we recognize our congregation has suffered an irreparable loss. Through years of unremitting toil, he was to all alike a helper and teacher; and to those in affliction with singular patience and sweetness, he gave from his abundant human love and sympathy could offer. Identifying himself with this church, as pastor in September, 1879, it may be said that its progress, the cohesion of its membership, the liberality of Christ-like spirit it may possess, and its standing and usefulness as a church are the fruits of his earnest and unselfish labor.

Resolved, That only after he a live, progressive teacher, a man of broad learning and culture, a man whose record and attainments were a source of constant pride to us, but, in his every day life, a true model of the consecrated Christian gentleman. The touch of his hand and his approving smile were an inspiration.

We feel that we can safely say that there was never a member of his congregation, scarcely a citizen who was not made stronger and better for having known him.

To the dear wife, who is bereft, we tender our deepest sympathy. We often pray that she may be sustained and made able to endure with courage and resignation the most unspeakable affliction that could have befallen her; and to the remaining devoted members of the family, we tender our sincere love and sympathy.

To our congregation, whose loss is so great, we commend his life as an example; and, as we are sure he would have us do, direct them to the Master to whom He doeth all things well.

Resolved, That these resolutions be spread at large on the church record, and that a copy be furnished the family and the press.

Coleman Carr, Janitor at the

State House, residence 44 Main

street, says: "I have just been

bitten from the use of Doan's Kidney

Pills. For a long time I was em-
barrassed during the day and annoyed at night by the too frequent

action of the kidney secretions.

The doctor whom I consulted

told me he was unable to get permanent relief.

By a friend I was induced to try

Doan's Pills, and got a box at

the drug store. On taking

them only a short time I had

great improvement, and finally the whole trouble was removed. I also used Doan's Ointment for Eczema which I had for a long time on one leg, about the knee. The

constant irritation at times

drove me wild. Despite this use of

preparation after preparation nothing helped me until by good

fortune I heard of Doan's Ointment

and procured a box. This remedy

got rid quick and positive relief,

and proved satisfactory in every

respect."
